# ANNUAL REPORT

## GIRGANGA PARIVAR TRUST

A People's Movement for  
Water Security in Gujarat

## Message from the President

Mr. Dilipbhai Sakhiya  
Founder & President, Girganga Parivar Trust

“પાણીનું દરેક ટીપું કિમતી છે, કારણ કે તે દરેક ટીપામાં જીવન છે.”

Dear Friends and Supporters,

As I look back on the year 2023–24, I am filled with immense gratitude and pride for what we have accomplished together. This year, Girganga Parivar Trust (GGPT) strengthened its resolve to build a water-secure Saurashtra—not as a distant dream, but as a living reality shaped by people’s participation. With the unwavering trust of our partners and the tireless efforts of our communities, we implemented 1,617 water conservation structures across 7 districts, 14 blocks, and 264 villages, positively transforming the lives of 32,340 rural residents and thousands of livestock.

Our founding pledge—the 11,111 Jal Sanchay Sankalp—remained our guiding light. Yet, the true success of FY 2023–24 lies beyond numbers. It is reflected in rejuvenated ecosystems, thriving farmlands, and families who now live with water security. It is seen in wells that no longer run dry, farmers harvesting better yields, and villages taking ownership of their water future.

Our approach—decentralized, eco-sensitive, and rooted in community ownership—has once again earned national recognition, reaffirming our belief that sustainable change begins at the grassroots.

As we move forward toward our expanded vision, I extend a heartfelt invitation to every donor, partner, and citizen: join this movement. Water conservation is not charity—it is our shared responsibility. Together, let us create a Jal Samruddh Gujarat and Bharat, one check dam, one village, and one drop at a time.

Thank you for believing in this mission. Together, we are restoring not just water, but hope, dignity, and prosperity in rural lives.

With gratitude and determination,

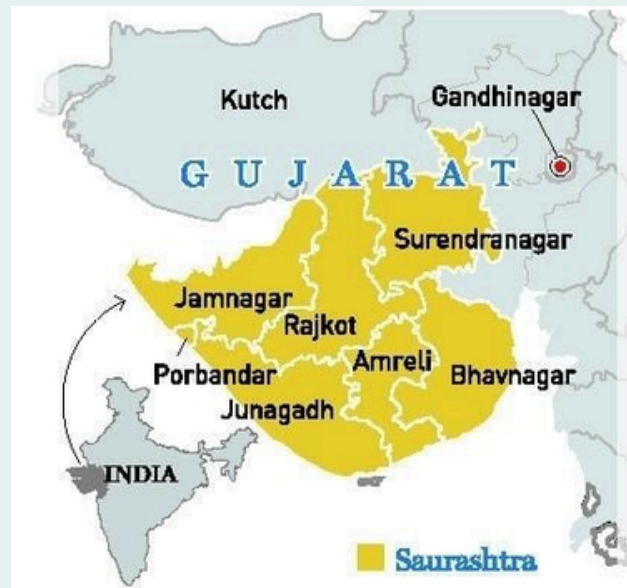

Mr. Dilipbhai Sakhiya  
Founder & President, Girganga Parivar Trust
